Fire Extinguishers

In compliance with regulations, we have had all the fire extinguishers checked during the past week and some new ones installed. We would ask people to take note of the location of the fire extinguishers in each church and in Cadamstown Hall. Hopefully, there will not be need to use them but in case of necessity, it would be important for everyone to remember where they are located. Thanks for this!

Best wishes to all those who start new adventures in schools over these days and to all who await results of exams!
